

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ELECTRONIC APPLICATION OF MARION	)	CASE NO.
COUNTY WATER DISTRICT FOR A RATE	)	2021-00394
ADJUSTMENT PURSUANT TO 807 KAR 5:076	)	

ORDER

The Commission, on its own motion, finds that the procedural schedule established on November 17, 2021, should be amended to afford Commission Staff (Staff) additional time to prepare and file a Staff Report in this proceeding. On December 17, 2021, Marion County Water District (Marion District) filed its response to Commission Staff's First Request for Information (Staff's First Request). On January 20, 2022, Marion District filed its response to Commission Staff's Second Request for Information (Staff's Second Request).

Based upon a review of Marion District's multiple responses to Staff's First Request and Staff's Second Request and being otherwise sufficiently informed, the Commission finds that additional time is warranted for Staff to review Marion District's request for rate adjustment pursuant to 807 KAR 5:076. Therefore, the Commission finds that the November 17, 2021 procedural schedule should be amended to provide until March 3, 2022, for Staff to file a Staff Report in this proceeding.

IT IS THEREFORE ORDERED that:

1. The February 17, 2022 procedural due date to file a Staff Report, in accordance with the November 17, 2021 procedural schedule is stricken and replaced with a procedural due date of March 3, 2022, to file the Staff Report.

2. No later than March 3, 2022, Commission Staff shall file with the Commission and serve upon all parties of record a written report containing its findings regarding Marion District's requested rate adjustment.

3. All provisions of the Commission's Order of November 17, 2021, as amended not in conflict with the provisions of this Order, shall remain in effect.
